XII. SPEND TIME TOGETHER

Try to spend as much time as you can with your child during summer vacation.

I. Take them out to the park to play, watch their favorite movies together, take them for an outing on lunch or dinner once a week so that the child also feels that “It’s fun time.” Click pictures of these moments and make a digital collage of your memories and share it with your Class Incharge on WhatsApp.

II. It’s time to get some ear knowledge for your soul from your parents and grandparents. Ask them to narrate stories of their time, for you. Select and learn one story as your homework for the holidays.

XIII. MY PLANT MY FRIEND

“Don't make trees rare, keep them with care.”

Grow a plant in a pot and click your pictures with the plant at all the stages from seed to plant. Measure the height of the plant at different stages. (Do it in scrap book).
