“ SMOOTH AND CLEAN  
AND FROSTY WHITE,  
THE WORLD LOOKS GOOD  
ENOUGH TO BITE.  
THAT’S THE SEASON  
TO BE YOUNG  
CATCHING SNOWFLAKES  
ON YOUR TONGUE”

The winter season is here and it is the time to keep the children and ourselves warm. It can be tough to keep our little ones entertained while they are stuck indoors. One sure way to beat the winter blues is to create a family fun environment.

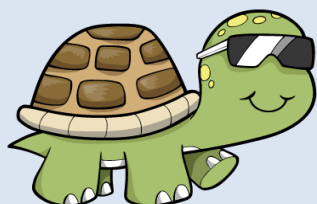

Let’s learn and enjoy .

As you can see in the poem below, turtle tells us about its actions. In the same manner you also do so many things daily. Write any five actions you do daily since morning till night and paste your picture while doing any one action.

I am a cute little turtle  
I crawl so slow  
I carry my house  
Wherever I go  
When I sleep  
Inside my shell I keep  
My tail and my head  
And feel as if I am in bed.
