# BRITISH COUNCIL ACTIVITY SESSION: 2023-24

## INTERACTIVE CLASSROOM LEARNING

- **As a proud recipient of International School Award from British Council, the school organised an international collaborative activity for the students of Class-V on December 8, 2023. The theme was “Combating the spread of diseases around us”.**

**GLIMPSES OF  
ACTIVITIES:**

In a virtual session, Young BCMites interacted with their counterparts in Imaad School, Nigeria.

- Students shared their knowledge about the spread of communicable diseases and preventive measures adopted by their countries.

# Students shared their views on communicable diseases- Chikungunya, Typhoid and TB and their preventive measures.

The image shows a Zoom meeting interface. On the left, a presentation slide titled "Spread of Communicable Diseases" is displayed. The slide lists five transmission routes: Through air, Through food and water, Through animals and insects, Through direct contact, and Through infected equipments. # STUDENTS FROM IMAAD SCHOOL SHARED THEIR KNOWLEDGE ABOUT THE SPREAD OF MALARIA AND ITS PREVENTIVE MEASURES

**Students from both the schools learnt about the similarities and differences in issues related to health in different parts of the world.**

- **This activity was a milestone in expanding students' purview and will help them think like a global citizen. It was a great learning experience for the students where they realised that while their lives may look different from outside but their aspirations to build a better future remain same.**
