Session- 2023-24

*Dear Parents*

*Greetings for the day!*

*Summer vacation brings a change and excitement for children. It gives you an opportunity to develop an everlasting bond and to spend your precious time with your kids. To utilize their time with constructive and creative activities that would help the children to learn new concept and revise the previous ones, here are some tips for the parents to engage their kids regularly:*

- 1. The listed activities will keep the children engaged during the summer holidays.*
- 2. All these activities have been designed keeping in mind the learning outcomes.*
- 3. If you are unable to take printouts of the attached worksheets, your child may draw and colour the same on sheets of paper.*
- 4. Instructions for each activity has been given on each slide.*
- 5. You can have some fun with your children and watch stories, rhymes, songs etc. with them.*
- 6. Kindly support, encourage and have fun with your child while doing the activities.*

*Summer vacations will commence from June 2, 2023 to July 11, 2023 (Both days inclusive)*

*Wishing you all a happy time with family.*

*Regards*

# World Environment Day

**“Live green, Love green, Be green”**

The world environment day is celebrated every year on 5<sup>th</sup> June to raise global awareness to take positive environment action to protect nature and the planet Earth. It is the day that remind everyone on the planet to get themselves involved in environment friendly activities. Keeping this in view here is an activity( **Making of Green House** ) on Environment Day. Kindly click the picture of each step and bring the sapling on the day of submission of Holiday Homework .

Place several bean seeds between the paper towel & the baggie.

Lima beans that have been soaked in water overnight work well.

You should be able to observe it grow into a bean plant.

Check them daily. You should see a root come out of the seed first within 3 days.

Place the saplings that have grown to the top of the baggies and see how support & nutrients from the soil help the plants to grow.

## Father's Day (Sunday ,18 June ,2023) “A dad is someone who wants
