"The only place where success comes before work is in the dictionary."

Dear BCMites : Staff, Students and Parents

It is a proud and privileged moment for me to share our students' success saga in AISSCE & AISSE 2019-2020. This is the harvest of their own relentless efforts, unending support of parents and untiring hard work of teachers. Years of preparation and learning brought them to this zenith of success.

Success neither comes easy nor by fluke. Nor does it come over night and depend on luck. The harder you work, the luckier you become. Success is connected with action. Those who stay focused on their goal and keep on going, they definitely, sooner or later stumble on precious success.

With great elation and unbound joy, I extend my gratitude and appreciation to all those heads, hands and hearts that worked harmoniously to manifest this success into reality.

I congratulate these toppers as their names are inscribed among the golden list of high achievers.
