NATIONAL YOUTH DAY

SWAMI VIVEKANAND
JANM JAYANTI
12 JANUARY 2021

उतिष्ठ, जाग्रत, प्राप्य वरान्निबोधत।

Arise Awake And Stop Not Until The Goal Is Achieved.

Swami Vivekananda (1863-1902) was remembered reverently on his Birth Anniversary by the students and teachers alike. In a special morning assembly the students spoke about the mesmerizing and inspiring personality of the great Indian monk who leapt into fame at the Parliament of Religions held in Chicago in 1893, at which he represented Hinduism.

His vast knowledge of Eastern and Western culture as well as his deep spiritual insight, fervid eloquence, brilliant conversation, broad human sympathy, colourful personality, and handsome figure made an irresistible appeal to many who came in contact with him or his words. People who saw, heard or read Vivekananda even once, adore him forever.

8 LIFE LESSONS FROM SWAMI VIVEKANANDA

- Humility is a precious virtue
- Curiosity is essential in life
- Compassion and kindness are ever golden
- With prayer, we can sail through any storm
- Work for preserving unity
- Respect for culture and belief is necessary
- Have a holistic perspective
- Humour is a sign of intelligence

Students of Class VIII participated in a Poetry and Essay Writing Competition and attended a virtual interaction session on 'Swami Vivekanand's Life and teachings' by the School Counsellor Ms. Shreya Sarkar.

23 JANUARY BIRTH ANNIVERSARY OF NETAJI SUBHASH CHANDRA BOSE (1897 - 1945) पराक्रम दिवस

Of the many freedom fighters who laid their lives for country's cause, Subhas Chandra Bose is one of the brightest names, fondly remembered as 'Neta Ji'.

His aim was simple: to get India the much-needed independence. One of his main contributions towards the same was to form the 'Azad Hind Fauj' or the Indian National Army, where radical measures were taken to attain independence for the country.

Even though Bose and Mohandas K. Gandhi had differing ideologies, the latter called Bose the "Patriot of Patriots" in 1942. His death is marred with mystery. However, a lot of what he said inspired generations of Indians to come.

UNFORGETTABLE WORDS FROM NETAJI SUBHAS CHANDRA BOSE

- Blood alone can pay the price of freedom. Give me blood and I will give you freedom.
- Freedom is not given. It is taken.
- Life loses half its interest if there is no struggle, if there are no risks taken.
- One individual may die for an idea, but that idea will, after his death, incarnate itself in a thousand lives.
- The secret of political bargaining is to look more strong than what you really are.
- It does not matter who among us will live to see India free. It is enough that India shall be free and that we shall give our all to make her free.
- Never lose your faith in the destiny of India. There is no power on Earth which can keep India in bondage. India will be free and, that too, soon.

Remembering Swami Dayanand Saraswati

On his Birth Anniversary

12th February, 1824 – 30th October, 1883

कोई मूल्य तब

-स्वामी दयानन्द
सरस्वती

Swami Dayananda Saraswati was an Indian philosopher, social leader and founder of the Arya Samaj. He was the first to give the call for Swaraj as 'India for Indians' in 1876, a call later taken up by Lokmanya Tilak.

He was a Sanyasi (ascetic) from boyhood and a scholar. He believed in the infallible authority of the Vedas and worked towards reviving Vedic ideologies.

Among Swami Dayananda's countless contributions were his promoting of the equal rights for women, such as the right to education and reading of Vedas. The philosopher and President of India, S. Radhakrishnan called him one of the 'makers of Modern India'.

12 Feb, in a special morning assembly students and teachers remembered Maharishi Dayanand Saraswati reverently – reciting Bhajans and golden rules of Arya Samaj.

PROJECT Saathi T Saathi साथी

5:04 PM

BCM School Chandigarh Road exhibited exemplary family values by extending helping hands to its support staff by teaching their kids during critical times of global pandemic Covid-19. Since, the schools of these kids are shut and no academic assistance is being provided by their schools, so project "Saathi" was started and the volunteer help of the teachers was sought to teach in evening hours through online portals.

The project proved to be a huge success as it received overwhelming response from both the teachers and the taught.

Ms Sunita Arora, head of the project said that I never knew it'd be so satisfying to teach these kids.

Ms Anu Sharma expressed *"I love to teach students but teaching these lovely kids has completed me as a teacher"*.

Rajni one of the maids on being asked about the project reverted with teary eyes and said "I was really tense and worried as the children were free and used to fight throughout the day. I am so grateful to the teachers and Principal Sir that they have showed their concern and this kind gesture. My whole family is indebted to the school".

Nancy one of the students said, *"I am so thankful to all the teachers for teaching so wonderfully. I don't miss my school any more."*

LOHRI /MAKAR SANKRANTI CELEBRATIONS

Lohri marks the New Year for Punjabi farmers. On this day, the farmers pray and show gratitude for their crops before the harvesting begins and pray to Lord Agni to bless their land with abundance. They chant “आदर आए दलिदर जाए” i.e. “may honour come and poverty vanish” while moving around the bonfire.

Many of us are not aware that the word Lohri comes from ‘Tilohri’ i.e. ‘til’ meaning sesame and ‘rorhi’ meaning jaggery/gur. It is believed that these both food ingredients help cleanse the body, bringing renewed energy for the New Year.

Makar Sankranti, Maghi or simply Sankranti, is a festival day in the Hindu calendar, the beginning of the month of Magh, dedicated to the deity सूर्य (Sun). On this auspicious day, the sun enters the zodiac sign of Capricorn or मकर राशि which marks the end of winter months.

From the day of Makar Sankranti, the sun begins its northward journey or Uttarayan journey. Therefore, this festival is also known as Uttarayan. At BCM School the day was celebrated with conventional zeal. Teachers and students dressed in traditional Punjabi outfits gathered in the school playground, offered til revari to the holy bonfire and prayed for everyone’s health, wealth and wisdom.

Shreya of IX G stood First in an online Dance Competition.

To mark the pious occasion of Basant Panchami, students participated in a plethora of activities and created beautiful kites, Yellow flower masks and prepared yellow food. In a special morning assembly Goddess Saraswati was revered with chanting of 'Gayatri Mantra'. Students shared thoughts about importance of knowledge, chanted Sanskrit Shlokas and recited poems.
