BCM MODEL UNITED NATION CONFERENCE 2021

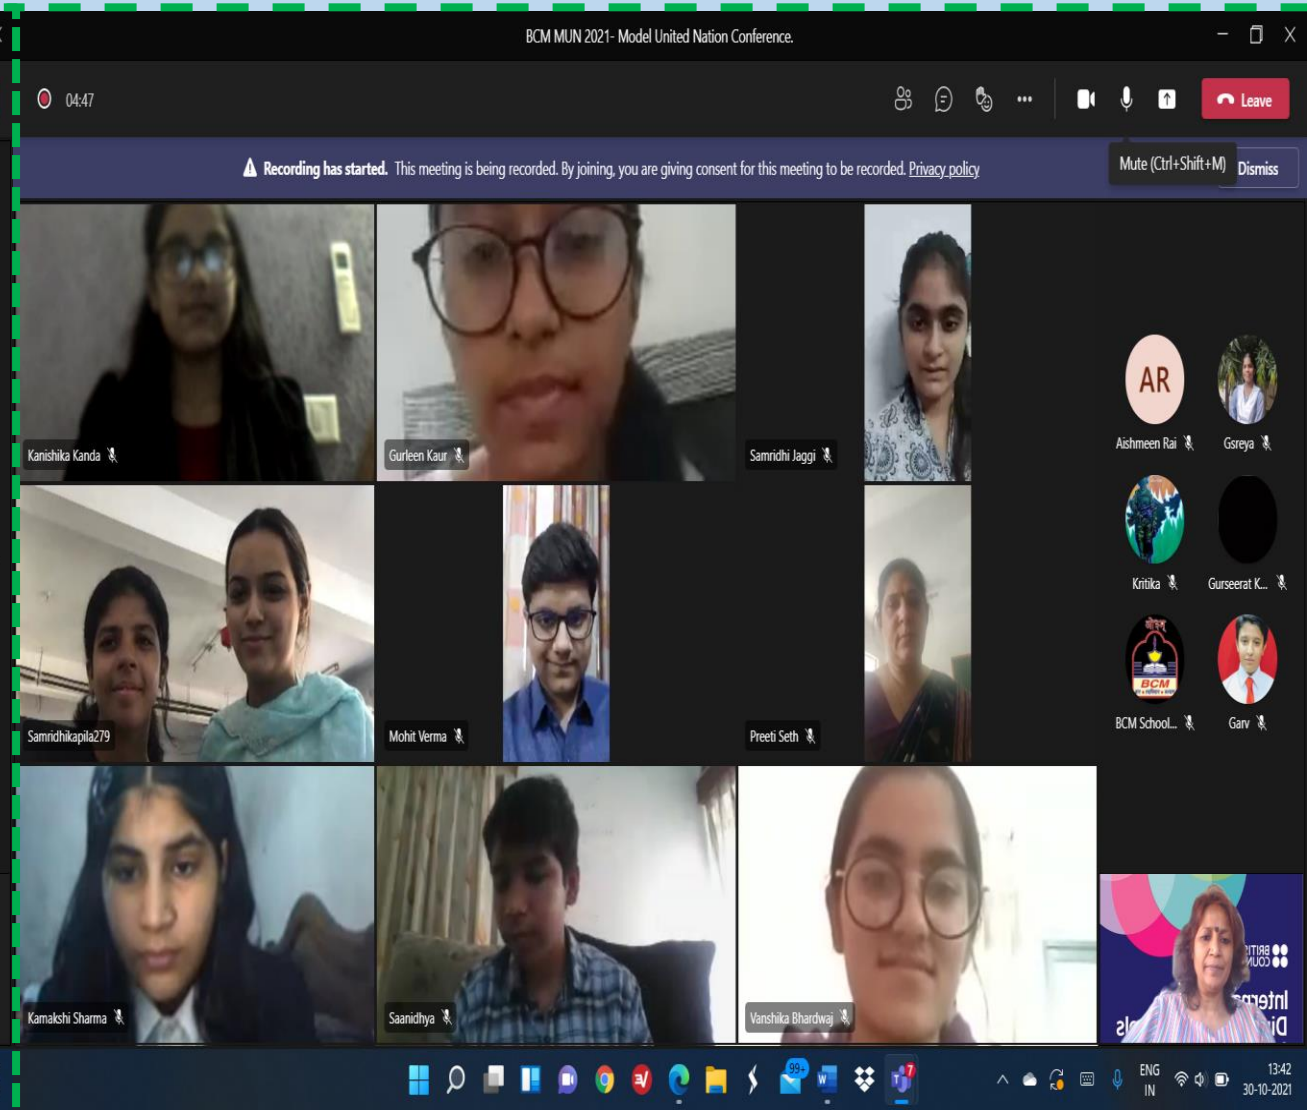

Theme:

The Space Hegemony - The Race of the Developed World

“Ignite the lamp of peace & enlighten the world
from darkness of hatred”

MUN, is an educational simulation in which students learn about diplomacy, international relations and the United Nations. To make the students familiar with international organisations, BCM School, Chandigarh Road organised a virtual MUN Conference as a British Council activity. It provided a highly realistic educational experience to the students of class IX-XII. BCMites showcased their core skills while role playing as delegates of different countries and debated on the burning issue "The Space Hegemony - The Race of the Developed World " The session was chaired by Ms Japneet Kaur and Ms Samridhi Kapila. This activity provided an opportunity to the students to replicate the work of the UN. It escalated student's public speaking, critical thinking, teamwork and enhanced leadership abilities. BCMites learnt to become the global citizens who can take initiatives for world peace. Mohit Verma, the delegate from Spain was declared as "Best Delegate". The school principal Mr D.P.Guleria motivated the students to participate in co-curricular activities.
