 **World Environment Day Celebrated with Passion and Purpose**  **Date: June 5, 2025**

To commemorate World Environment Day, students from BCM School marked the occasion with heartfelt enthusiasm and environmental responsibility—even from the comfort of their homes.

Aligning with this year's theme, "Our Land. Our Future," the students actively engaged in a variety of eco-friendly activities that highlighted their commitment to sustainability. From planting saplings in gardens, balconies, and pots, to crafting vibrant posters and thought-provoking slogans, their creative expressions stood as a testament to their love for Mother Earth.

Some students penned poems and essays, reflecting on the urgent need to nurture and protect our environment for future generations. Virtual platforms buzzed with these green initiatives as students proudly shared their work with peers and teachers.

## GLIMPSES FROM THE FUTURE LEADERS CAMP

The fourth and final day of the Future Leaders Camp concluded with an action-packed trip to Kang's Nirvana Resort on 5th June 2025. The day was filled with excitement as students enjoyed a variety of rides splashed around at the water park and enthusiastically took part in team-building activities

A delicious lunch added to the enjoyment, offering time to relax and connect with peers. Earlier, during the camp, a meaningful closing ceremony was held where each participant was presented with a memento, and their hand impressions were taken as a unique keepsake – capturing the spirit of leadership and friendship built over the course of the camp.

## ABOUT TRAININGS AND CAMPS

### *Empowering Educators for a Brighter Future*

The first session, focused on 'Learning Outcomes and Pedagogies', led by Mrs. Madhu Sharma, a certified CBSE resource person. This session helped teachers align their teaching practices with CBSE's learning outcomes, focusing on student-centered learning and assessing student progress effectively.

The second session, focused on 'Gender Sensitivity', where teachers gained insights into creating a gender-sensitive classroom environment, promoting inclusivity, and addressing biases.

### *Session on 21st century skills*

A session on 21st Century Skills was conducted by Ms. Kamaljeet to equip teachers with strategies that foster creativity, critical thinking, collaboration, and communication in students. She emphasized the importance of developing information, media, and technology literacy to help children engage meaningfully with the world around them. The session also highlighted key life skills such as flexibility, leadership, initiative, productivity, and social awareness, encouraging teachers to nurture these abilities in their classrooms for the holistic development of young learners.
