Young Minds Explore the Moon and Beyond! 🚀

To commemorate Moon Landing Day, an Inter-House Space Quiz and an Inter-Section Poster Making Competition on the theme "Moon Landscape" were organized at school. The events witnessed enthusiastic participation, as students dazzled with their stellar knowledge of space and celestial wonders.

Ravi House soared high and secured the top position in the quiz. Meanwhile, students of Class V impressed everyone with their imaginative and vibrant depictions of moon terrains through beautifully crafted posters.

Adding to the excitement, students also showed great interest in books related to astronomy and space exploration, turning the celebration into a truly cosmic experience!

Promoting Multilingualism through Bhartiya Bhasha Summer Camp (BBSC)

In accordance with the National Education Policy (NEP) 2020, BCM school, the English Department organized a meaningful Zero Period activity under the Bhartiya Bhasha Summer Camp (BBSC) initiative, aimed at fostering multilingualism and cultural awareness. To emphasize the power of audio-visual learning, an insightful and inspiring video was shown to students of Classes IX and X. The content, rich in value and relevance, was met with widespread appreciation from students and teachers alike.

Following the video, a Competency Level English Quiz was conducted to reinforce language skills and encourage intellectual engagement. Nearly 800 students participated enthusiastically, showcasing sharp thinking and a strong command of the language.

It was indeed a rewarding experience that left a lasting impact on all participants.

Strive for Excellence: Enrichment & Remedial Classes Begin!

BCM School is set to begin Enrichment and Remedial Classes for students of Classes X and XII from July 17, 2025. These focused sessions aim to strengthen core concepts, boost academic performance, and prepare students for board success.

Thought of the day:

“Success doesn’t come from what you do occasionally, it comes from what you do consistently.” 🌱

Health tip of the day:

Take a 5-minute tech break every hour.

Step away from screens, stretch, or just look outside – it refreshes your mind and boosts productivity! ☀️📵

Book of the day:

"Hidden Figures" by Margot Lee Shetterly

An inspiring true story of the brilliant African-American women mathematicians at NASA whose calculations helped launch some of America’s greatest space missions. 🚀🌟

Editor and Co-ordinator: Ms Sanskriti Verma(PGT Mass Media)
