BCM School Chandigarh Road is brimming with pride as 333 of its Class XII students passed their Board Examinations with an outstanding percentage.

Samridhi Jaggi topped the school with an impressive 98% in the Commerce stream. Further highlighting the academic prowess of the students, remarkable 13 students scored 95% and above whereas 57 students secured above 90% marks.

The list of overall school toppers showcases the diverse talents across streams:

OVERALL SCHOOL TOPPERS

NAME	STREAM	PERCENTAGE
Samridhi Jaggi	Commerce	98%
Ankush Kaundal	Non-Medical	97.6%
Navpreet Kaur	Humanities	96.6%
Gunn Maheshwari	Medical	94.6%

Principal Mr. DP Guleria warmly congratulated the high-achieving students, dedicated teachers, and supportive parents. He affirmed, 'These outstanding results fill us with immense pride. They are a direct reflection of our students' hard work, their parents' unwavering support, and our faculty's exceptional guidance.' The school community, including parents and teachers, expressed their profound joy at these remarkable accomplishments, which highlight BCM School Chandigarh Road's commitment to fostering an empowering and growth-oriented academic environment.

Tanishka's triumph over tragedy

In a moving testament to resilience, determination, and the indomitable human spirit, Tanishka Setia, a Class XII student of BCM School, Chandigarh Road, has emerged as a shining star by scoring an exceptional 96% in the CBSE Board Examination (Commerce Stream)—despite enduring one of the most heartbreaking personal losses during the examination period.

Tanishka lost her father while her board exams were underway, a tragedy that could shake even the strongest of souls. But instead of succumbing to despair, she chose to honor his memory by giving her best and standing tall in the face of unimaginable grief.

Inter House Poetry Recitation Ignites Young Voices on Themes of Love and Nature

An Inter House Poetry Recitation Competition was held for Classes IV and V, celebrating the themes "Mother" and "Mother Earth" in both English and Hindi. The young participants captivated the audience with their heartfelt expressions, confidence, and clarity.

Each house brought its own unique flair to the stage, making the competition vibrant and memorable. After an engaging round of performances, Beas House emerged as the Overall Winner, earning praise for their impactful and well-delivered recitations.

The event beautifully blended emotion, creativity, and awareness, leaving a lasting impression on all present.

Curious Minds at Work: UKG

Students Explore the Wonders of Air

Young learners of UKG took a delightful step into the world of science through a hands-on activity designed to explore the concepts "Air is Essential for Burning" and "Air Has Pressure."

Through simple, engaging experiments—such as extinguishing a candle by covering it with a glass and observing the inflation of balloons—students discovered the invisible yet essential role of air in our daily lives.

The activity sparked curiosity and fostered scientific thinking in an age-appropriate, experiential manner. It provided a perfect blend of fun and learning, helping students develop early conceptual clarity in an interactive environment.

Thought of the Day:

"Your mind is a powerful thing. When you fill it with positive thoughts, your life will start to change."

Health Tip of the Day:

Start your day with a glass of warm water — it helps kickstart digestion, flush out toxins, and boosts metabolism.

This day in History: May 13

1950 – The first Formula One World Championship race was held at Silverstone, England. It marked the beginning of the modern F1 era.
