## Foundational Stage Commemorates International Day of Families

The Foundational Stage of BCM School, Chandigarh Road, came alive with warmth and joy as it celebrated the International Day of Families with great enthusiasm and a series of engaging, age-appropriate activities.

The day was marked by creative expression and heartfelt participation across all foundational grades. Nursery students took part in a delightful craft activity, decorating family member outlines with colourful buttons, symbolizing the strong and vibrant bonds within families. LKG learners showcased their love and appreciation by crafting unique family trees adorned with photographs, expressing their affection through art. Adding a personal touch, UKG students presented customized family trees featuring pictures of their own family members and confidently shared a few words about them, reflecting their growing understanding of familial roles and relationships.

The celebration truly echoed the spirit of the day—honouring families as the foundation of every child's world.

### **Thought of the Day:**

***Family is the first school for young children, and parents are powerful models. Let us celebrate the love, support, and strength that family brings into our lives***

### **Health Tip of the Day:**

***Eating meals together as a family encourages healthy eating habits, better communication, and stronger bonds. Make family mealtime a happy and regular routine!***

### **This day in History: May 16**

***1929 – The first-ever Academy Awards (Oscars) ceremony was held in Hollywood, California***
