## No Bags, Just Brains: A Day of Learning Beyond Books

The Primary Wing celebrated a “Bagless Day” with immense joy and enthusiasm. The initiative aimed to provide students with a break from routine academics and foster experiential learning through creative, engaging, and hands-on activities.

As the young learners walked into school without their regular school bags, their faces lit up with excitement and curiosity. The day was thoughtfully planned to include a wide range of fun-filled and skill-building activities that stimulated both their minds and bodies.

Some highlights of the day included:

- Art and Craft Corner – where students made vibrant paper crafts and origami.
- Music and Dance Session – where children danced to lively tunes and explored musical instruments.
- Pick and Perform- Where students showcased their spontaneous talent.
- Indoor Games and Brain Teasers – that encouraged teamwork, problem-solving, and logical thinking.

A major highlight of the day was a special movie show organized in the auditorium. The young audience thoroughly enjoyed watching age-appropriate, motivational films that delivered strong messages in an entertaining way.

The Bagless Day was not just a break from textbooks, but a meaningful shift towards holistic education, helping children explore their interests, develop social skills, and ignite their imagination.

## Green Colour Day cum Bagless Day Celebrated with Joy

Green Colour Day cum Bagless Day in the Foundational Stage, blending environmental awareness with experiential learning.

Nursery kids enjoyed tortoise colouring and bottle cap art. LKG students created tree-stamp art, and UKG children crafted with broccoli, promoting creativity and healthy habits.

A grocery corner, mock departmental store, and interactive shopping arcade added real-world exposure through engaging role-play.

Free from school bags, the day was filled with hands-on learning, smiles, and meaningful exploration.

## EDUCATIONAL VISIT TO DMC HERO HEART INSTITUTE

Students of BCM School, Chandigarh Road, had the enriching opportunity to attend an educational session on Hypertension and Basic Life Support (BLS) at the DMC Hero Heart Institute. The session, led by Dr. Vishav, began with an insightful overview emphasizing the importance of timely action in cardiac emergencies.

Dr. Shubham demonstrated BP monitoring techniques, allowing students to practice using the apparatus under expert guidance. The session continued with a hands-on CPR training led by Mrs. Tajinder Kaur and Mrs. Manjeet Kaur, where students learned the life-saving steps of Cardiopulmonary Resuscitation using CPR mannequins.

## A Coding Insight with Mr. Dishant Munjal

BCM School, Chandigarh Road, recently welcomed back its proud alumnus, Mr. Dishant Munjal, a Software Engineer at Microsoft, for an engaging and insightful session on coding. The session aimed to introduce students to the dynamic world of programming, exploring various software tools and the future scope of coding in different fields.

Mr. Munjal shared his inspiring journey—from his school days to earning a degree from NIT Rourkela, pursuing an MS from Georgia Tech, Atlanta, and working with a global tech leader. His practical tips and relatable experiences made the session highly interactive and motivating.

Such alumni engagements help bridge the gap between academic learning and real-world application, inspiring students to dream big and stay updated with emerging technologies.
