## Festive Spirits Soar as Students Celebrate Teej in Style

On the joyous occasion of Haryali Teej, the school auditorium came alive with colour, rhythm, and tradition as a vibrant Inter-House Giddha Competition was hosted. The event was a splendid celebration of Punjabi culture, womanhood, and monsoon festivities.

The atmosphere was charged with excitement as students, dressed in vibrant traditional Punjabi attire, took to the stage, adorned with colourful dupattas, bangles, and parandas. Each house presented a beautifully choreographed Giddha performance, filled with lively boliyan, energetic claps, graceful movements, and expressions that brought the folk art to life. The synchronization, creativity in formations, and the spirit of togetherness truly impressed the audience.

The judges evaluated the teams based on criteria such as costume, coordination, choreography, expression, and cultural authenticity. The enthusiasm and dedication of all participants made the event a tough competition to judge.

In the end, Ravi House was declared the winner for their outstanding performance, while the other houses also received appreciation for their spirited efforts.

Adding to the traditional charm of the day, a Turban Tying Competition was also held, where boys from different sections of class V skillfully showcased the art of tying turbans in various traditional styles.
