

BRITISH COUNCIL INTERNATIONAL ACTIVITY – VI

MONTH: NOVEMBER – 2019 [SECONDARY SECTION]

It Doesn't Matter What Country or What Political System You Are From, Space Brings You Together

Continuing with the British Council International activities, the secondary section of BCM School, Chandigarh Road organized “Expert Lecture” on political system in India and Nigeria. The session was initiated with the Brainstorming that enriched student’s knowledge. The subject expert ,Ms Raminder kaur familiarized the students of classes 9th and 10th with political system of both the countries under study. The students were provided with ample information. This session not only instilled the feeling of brotherhood among BCMites but it will also help them to grow as global citizens. BCMites got a close insight into the global affairs. Crossing the International boundaries, the students of grade 9 & 10 also interacted through Skype session with their peers in “ Imaad School” Nigeria. The interactive Skype Session provided them a platform to know about different political parties, election process, how government functions and its welfare policies in Nigeria. BCMites not only got international exposure but also got first-hand information from their peers in Nigeria. It gave them a chance to widen up their horizons and it even developed a sense of internationalism through school curriculum. International learning and knowledge propelled BCMites towards acceptance and understanding of an array of different cultural and community perspectives.
