

British Council International Activity - IV

MONTH: SEPTEMBER [Kindergarten]

Festivals keep us Attached

Festivals create a sense of unity. Keeping the same in mind and with a clear aim to provide international exposure to young BCMites, KG Section of BCM School Chandigarh Road, organized British Council international activity ie "Festivals keep us Attached". The kids of LKG & UKG classes were given comprehensive knowledge about the 'Festivals of India & Canada' through a PPT. Students were not only given information about festivals of India like Diwali, Dussahra, Raksha Bandan, Lohri etc, they were also made familiar with some important and interesting festivals of Canada like Winterlude, Just for Laugh, Folklorama, Jazz festival.

To make the learning more interesting and to test the pre given knowledge 'Catch and Match' activity was organized for the kids of LKG where the students matched the pictures of festivals of India & Canada with the flag of their respective country. In the partner school of Canada, students of same group were given knowledge about the festivals of India. These activities helped in enhancing the knowledge, sharpening the memory skills and preparing the kids for global competency.

The knowledge of the students was enhanced by conducting "Show and Tell" competition for the students of UKG class. Kids exhibited their confidence and articulation skills while speaking on the importance of different festivals of India and Canada. It was indeed a contest which unfurled the smartness, agility and intelligence of the tiny tots. This competition was judged by Ms Ravinderjeet Kaur and Ms Bindu Sood.
