**WINTER VACATION HOMEWORK**

Dear Students and Parents,

As the winter season brings its chill and charm, it also offers an opportunity to learn, grow, and bond while staying cozy at home.

- Ensure to get sunlight ☀️ for Vitamin D.
- Avoid flying too many kites 🪁

To make the most of this break, we have thoughtfully designed a set of engaging and creative activities for our students.

We encourage all students to complete their tasks diligently and enjoyably. Remember, these activities are meant to be fun and enriching, so take your time, explore, and share your learnings with friends and family.

We wish you a joyful winter vacation filled with warmth, laughter, and learning. Stay safe, and we look forward to seeing your wonderful work when we return to school!

**GENERAL INSTRUCTIONS:**

1. Holiday homework should be done neatly and independently.
2. Write your name, class, section and subject clearly on each page.
3. Maintain neat handwriting and proper presentation.
4. Be creative in project and activity work.
5. Parents may guide but should not do the work for the child.
6. Bring the complete holidays homework on the reopening day of school.

## MATHEMATICS

🕒 Tick-Tock Time! 🕒

Dear Little Stars ★

Let's become Time Masters!

Make a beautiful clock model with moving hands and learn how time moves every day.

🎨 Use cardboards/paper plate, colours, and a split pin to make the hands move.

✨ Be creative and have fun while learning time!

🕒 Bring your clock model to class and get ready to show how it works.
