Dear Parents & Students,

Greetings !

**"Education is the key to unlocking the world, a passport to freedom." - Oprah Winfrey**

We're delighted to welcome everyone back to school after a refreshing summer break! The campus is already buzzing with vibrant energy, as both academic studies and co-curricular activities are now in full swing. We wholeheartedly encourage all students to **dive into these opportunities**, as active participation is truly key to their holistic development.

## Important Saturday Schedule Changes

- **Second Saturdays** of each month will now be **holidays for students**, offering a well-deserved break.
- **Fourth Saturdays** of each month will be dedicated to **Parent-Teacher Meetings (PTMs)**. This consistent schedule ensures a regular opportunity to connect with teachers and discuss your child's progress, fostering a strong educational partnership.

## Celebrating Successful Summer Internships

We extend our sincere gratitude to parents for their **invaluable support** of our students' summer internship program. It was truly inspiring to witness our Grade XI students proactively engage in **various internships** during their break, **demonstrating a strong commitment to gaining practical experience and exploring their interests**. With consistent encouragement, students completed internships at diverse organizations across Ludhiana, including **M.J. Oswal Hosiery, District Courts, Bonn Bread, and Avon Cycles**. Many also broadened their horizons by attending summer internship boot camps at the **Bits Pilani Goa** campus and **BML Munjal University**. These experiences are undoubtedly **invaluable** as they plan their future academic and career paths.

To my dear students, as you settle back in, get ready not only to excel in academics but also to unleash your potential in co-curricular activities. We have a plethora of exciting opportunities waiting for you – don't miss them! Your maximum participation will ensure your all-round holistic development. Embrace every opportunity for growth and learning with **discipline and enthusiasm**, and let your **integrity** shine through.

We deeply value your unwavering **support and partnership**. Your collaboration is crucial to our success, and together, we can ensure a **nurturing and enriching environment** for all our students. We eagerly look forward to your continued cooperation throughout the academic year.

**Important Note:** Mr. Ramandeep Singh has joined us as Administration Officer and will be looking after **all areas of safety** (school building & grounds, electrical, fire & transportation safety, mitigation of health hazards and first aid procedures).

He can be contacted at **98767 67428** for any suggestions or complaints.
