

## BCM SCHOOL CHANDIGARH ROAD

An Institute of BCM Foundation, Affiliated to CBSE New, Delhi  
Sector 32, Urban Estate, Chandigarh Road, Ludhiana

***“Children take in what they watch & listen, and not what they are told & scolded for.”***

Dear Parents Greetings!

Accept my heartiest congratulations on your ward’s successful completion of one more phase of schooling and stepping into another one. I hope and wish that your ward shall continue to excel in his/her future endeavours with the same enthusiasm and shall achieve his/her desired goals.

To help the students fulfil their aspirations with which they have joined our institute, we are bringing in all the new innovations like AR, VR and Advance Metaverse certified courses. In addition to all other myriad of subjects, we have also added new skill subjects Mass Media Studies, Food Production, AI, FMM and Tourism to make our students futuristic job-ready to boost their career to the next level. We are also focusing on equipping our students with essential life skills through co-curricular activities conducted in specially designed assemblies & strengthened zero periods, that will make them future ready for the 21<sup>st</sup> century. In a nut shell, the school is all set for adoption of latest technological advancements and expects an equally enthusiastic adaption of the same by the parents. Furthermore, we seek your co-operation for ensuring few below mentioned points.

- The school has a zero tolerance policy for the late comers. Drop/send your wards on time to avoid any awkward situation. Equally important is picking up the child on time at the school dispersal.
- Avoid parking your vehicle near the school gates to avoid uninterrupted flow of traffic.
- Encourage your ward to contribute in the school magazine with his/her creative ideas in the form of poems, articles, stories, editorials etc.
- Fill in the ‘student’s particulars’ on pages 1-5 of the school Almanac and send one copy to the Class In charge for record.
- Read the ‘General School Rules’ regarding, school uniform, leave of absence (on pg.20-22) and particular instructions about the promotion policy for parents’ consideration (on pg. 30, 32) in the school diary.

We anticipate the same cooperation throughout this academic session too as we have been receiving before.

---

***“If you want the different results, don’t repeat the same actions.”***

Dear students, Blessings!

I am sure you must be feeling ecstatic reading the new books and enjoying surfing in the ocean of learning, supported and guided by your teachers. The parents’ and teachers’ unconditional support is always available for you but the real efforts you have to make. Don’t skip classes without any genuine reason. Regular attendance is an important part of learning. It not only keeps you up-to date with what is being taught but leads to better grades and greater chance of success. Most importantly, you have to set goals for learning as well as for life. A student without a goal is like a ship without compass that reaches nowhere. Once the goals are set, the next step to success is realizing value of time and adequate planning. Not a single minute gone can be recaptured. In fact, all your life depends on whether you have invested your time or wasted it. Visualize where you see yourself after 5-10 years from now. Remember, the best way to predict future is to create it. So I hope that you will create the best future for yourself.

***Best Wishes for the Periodic tests. Good Luck!***

**DATESHEET FOR PERIODIC TEST/UNIT TEST I, 2023 (SESSION 2023-2024)**
