SECTOR 32-A, LUDHIANA**

Circular no. BCM/CR/2020-21/7

Dated: 28.10.2020

Dear Parents and Students

Greetings!

First, let me thank you for your support and understanding as we, as a nation and community, responded to the unexpected invasion of COVID-19. No doubt, past six months have been challenging for all of us. But it has taught us some valuable lessons as well and given us time and opportunity to understand our children better and improve our relations with them. By Almighty's grace and with our strength of mind and fixed purpose, not to let the schooling of our children get affected, we have overcome the trying situations. Our academic session has run with regular online classes and the smooth conduct of monthly tests and assessments. Now, with the improved scenario in Covid condition, the schools are open for the students of IX-XII. However, the students are at a crucial stage where they need to be equipped with additional and special preparation.

Keeping in mind the academic requirements and essentiality to get ready for board examination, we have planned offline examinations taking all safety precautions with utmost care.

- Examination will be conducted with all safety measures set by the Govt. and the CBSE board.
- There will be only one class - one exam each day with uniform distribution of the candidates following the social distancing.
- Students of one class will be called in two batches with gap of one hour.
- During exams, only 12 students will be allowed to sit in one room.
- Students' entry and exit is scheduled from different gates.
- Thermal screening and hand sanitization is ensured at gates.
- No crowding is allowed near gates/water taps/ washroom areas.
- Health conditions will be monitored and taken into consideration.

However if your ward is unwell, please do not send him/her to school. Please ensure that an application and a genuine Medical Certificate be submitted well before the conduct of the examination for a particular day.

Parents and students are advised to follow the given guidelines while coming to school because the grip of pandemic may have loosened but it hasn't disappeared completely.

ADHERE TO THE FOLLOWING STRICTLY:

- Check your temperature before leaving home and if feeling unwell, inform your class teacher/coordinator immediately.
- Enter the school through prescribed gate no. as per the time slot given in the date sheet.
- Ensure wearing proper facemask covering nose and mouth.
- Follow dress code as mentioned in school diary.
- Maintain discipline throughout your stay on school premises.
- DO NOT carry your mobile phones inside the school premises.
- Avoid touching surfaces as far as possible.
- Group gathering / crowding is prohibited near water taps, in school corridors and outside the school.

- Carry the following:
 - i) Hand sanitizer
 - ii) Tissue/clean hand towel
 - iii) Paper/liquid soap
 - iv) An extra facemask

Kindly note that this examination is being conducted for the betterment of your ward. If you are willing, you can send your ward for the examination. However, there will be no online examination for X & XII classes.
