

BCM SCHOOL CHANDIGARH ROAD

A Senior Secondary School of BCM Foundation

Affiliated to CBSE New Delhi

CIRCULAR

Dear Parents,

BCM School Chandigarh Road is one of the leading educational institutes of the city and provides the best academic, scientific, technical, cultural, and sports education to thousands of students, thus contributing in shaping the society and lives of its citizens for the better. We not only ensure that our students excel in academics and are capable of responding to the ever changing demands of the global challenges; but also strive to create a supportive environment for the students which helps them grow into a sensible and responsible citizen.

After all these efforts, we expect that the students showcase a gracious demeanour in and out of the school and follow the school protocol. Students who come to school on their own vehicles are not supposed to be indulged in any kind of unlawful behaviour that causes inconvenience to the passers-by and residents of the area to avoid complaints from the residents in the vicinity. Students must follow the instructions given below while driving around the school –

- Don't cross the speed limit prescribed in the area
- Never indulge in speed racing
- Prefer going to home directly after dispersal instead of standing in groups and talk
- Don't use power horns
- Don't play loud music or shout while driving

It is highly appreciated on part of the parents that they must ensure that if their ward is coming to the school on a private vehicle then he/she must ensure a disciplined character and obey the orders of the traffic police personnel on duty.

Further, the students who ignore the school rules by not wearing helmets, parking their vehicle outside; refusing to show the driving license on demand will not be allowed to enter the school premises. They themselves and their parents shall be responsible for their safety.

Parents are requested to take notice and comply with the same.

TEAM BCM
