

# BCM SCHOOL, CHANDIGARH ROAD

A SENIOR SECONDARY SCHOOL, AFFILIATED TO CBSE, NEW DELHI

Dear Parents

"Fire is the test of gold; adversity, of strong men."

We all have borne the brunt of scathing fires of pandemic and emerged out shining brightly like gold. We didn't allow the testing times of adversity break us, rather we added on to our ability and capacity. We enhanced our skills and learnt the novel ways of survival. With the same burgeoning attitude, we are marching ahead into the New Year. We have no room for complacency and no time to pause. No matter how bumpier the road seems right now, we shall continue progressing confronting all challenges.

Past two years have been the most difficult period for education in recent history. And no words of appreciation can express my gratitude towards YOU for the support you have provided throughout these tough times. Unfortunately, with the fresh wave of the new variant, it still remains unclear as to when a return to school for all students will be possible. Our priority at this time is that students are safe and can continue to learn, Teachers are working really hard to provide all the required guidance to meet the students' academic and co-curricular needs. It is a matter of great satisfaction that the vast majority of students is engaging really well with their online lessons and coping well with the ever-changing circumstances.

Further, with approaching exam season, I understand your anxiety for your child's performance and your expectations from the school are quite plausible. I also understand your dreams of your ward's remarkable success. Remember, you as parents have a very important role to play. Please make sure your ward attends the online classes regularly. At this time when children are already stressed with exam fear, do not let your anxiety be an additional source of stress for your ward. Stand by your ward as a firm unshakable force. Tell them that the struggles in life would never stop but we can learn to be resilient and successful beating all odds.

"The true test of a champion is not whether he can triumph but whether he can overcome obstacles."

**My Dear little champions,**

I cannot tell you how proud I am of you all. I know that you all are very hard working and talented. I know how well you performed despite struggling with the online classes during the lock down period. I am very confident that with the same determination, perseverance and dexterity you will again achieve success in forth coming examination.

Dear brave hearts, please do understand that life would never be devoid of obstacles. People will be sceptical of your potential. There will be pitfalls of mistakes. But keeping your eyes on the destination, you can beat all atrocities with hard work and dedication. For impending examinations, I would like to advice you that put in your best efforts but do not overstress yourself. You need not compete with anyone else; you only have to be better than your yester version. If, for whatever reasons, you could not score good marks so far, you can still excel at coming examination. Time is the greatest asset we all have. Plan your time carefully. Take sufficient rest, exercise regularly and choose your diet sensibly. Have faith in your abilities and perform to the limit of your potential and you will certainly succeed.

**Good Luck and blessings!**

**DATESHEET FOR ANNUAL EXAMS:**

DATE	DAY	CLASS				
		I	II	VI	VII	VIII
