BCM SCHOOL SHINES AT GS MEMORIAL INTER-SCHOOL FESTIVAL – BAGS SECOND RUNNER-UP (OVERALL)

Students of our school participated with great enthusiasm in the GS Memorial Inter-School Festival held at Jesus' Sacred Heart School, Ludhiana, and made the school proud with their remarkable achievements.

The Mythic Beats team from Class VII brought immense pride to the school by securing the First Prize, impressing everyone with their creativity, coordination, and expressive performance.

The Peace Council Symposium team from Class X also earned the First Prize, showcasing confidence, articulation, and depth of understanding in their presentation.

The Tableau – Valiant team from Class VII received an Appreciation Award for their inspiring presentation and teamwork.

The Ballads & Beyond team from Class VI earned an Appreciation Award for their melodious and captivating performance.

The MIME – Shadows of Bravery team from Class V presented a powerful act and was honoured with an Appreciation Award for their expressive and impactful performance.

With these notable performances, BCM School proudly secured the title of Second Runner-Up (Overall) among all participating schools.

Heartiest congratulations to all the winners and the teachers who guided and mentored them with dedication and passion. Their consistent hard work and commitment have truly brought glory to the school!

Future Leaders Connect

FUTURE LEADER PROGRAM / BUILDING SKILLS FOR TOMORROW

BCM School organized a special session under the Future Leader Program, designed to equip students with essential 21st-century skills such as effective communication, teamwork, adaptability, and collaboration. The insightful and interactive session was conducted by Ms. Prabhsimar Kaur, Founder of Flamingo Academy, who guided students through a series of engaging activities and discussions that emphasized the importance of soft skills in personal and professional success.

During the session, Ms. Kaur highlighted how qualities like empathy, active listening, and mutual respect help in building stronger relationships and fostering a positive environment for growth. She encouraged students to step out of their comfort zones, take initiative, and embrace challenges as opportunities to learn and lead.

Students participated with great enthusiasm, sharing their thoughts and reflections on leadership and teamwork. The event not only helped them understand the practical value of collaboration but also inspired them to develop a growth mindset and a spirit of cooperation.

Vice Principal Ms. Manju Bhatti appreciated the initiative, applauding both the resource person and the participants for their active involvement. She motivated students to continue refining their leadership and interpersonal abilities to emerge as confident, responsible, and visionary leaders of tomorrow.

PRACTICAL LEARNING IN ACTION: MASS MEDIA STUDENTS GAIN INDUSTRY EXPOSURE AT BRILLIKO FILM FIESTA

Students of the Mass Media Department visited the Third Film Fiesta organized by Brilliko Institutes, where they gained valuable exposure to the practical aspects of the media and entertainment industry. The event offered students firsthand insights into 2D animation, VFX-based movie making, product shoots, documentary creation, song shoots, direction, and much more.

They also participated in gaming tournaments and explored cutting-edge technologies like Augmented Reality (AR) and Virtual Reality (VR), enriching their understanding of the evolving digital landscape.

This experiential learning opportunity proved immensely beneficial for the students, helping them connect classroom concepts with real-world applications. It allowed them to witness professional workflows, creative processes, and the use of advanced equipment and software —broadening their vision of potential career paths in the media industry.

Such collaborations and industry interactions play a crucial role in fostering growth, creativity, and innovation, equipping students with the confidence and competence required to excel in the dynamic world of mass media and communication.
