

## 1. A milestone of Pride

It was a proud moment for BCM School Chandigarh Road when our Principal Mr. DP Guleria was honoured with the “Award of Recognition 2025” by Chandigarh University.

This award symbolizes the strong collaboration between Chandigarh University and BCM School, reflecting shared values of excellence, innovation, and holistic education. The recognition also celebrates the collective dedication of students, teachers, and parents who continue to contribute to the school’s vision of shaping confident, responsible, and future-ready learners.

## 2. Publication in KreA Compass Magazine (KreA University)

BCM School Head Outreach Ms. Tarveen Kaur, was featured in the August–September 2025 edition of KreA Compass, the official magazine of KreA University. Her article titled “Bridging the Gap: Why a Foundation Year Matters” explored the significance of the foundation year in shaping students’ academic transitions and preparing them for higher education success.

This publication reflects BCM School’s active engagement in international academic discourse and its commitment to contributing valuable perspectives to the global education community.

### **3. Felicitation at Gresham Global Counsellors Meet**

Ms. Tarveen Kaur represented BCM School at the Gresham Global Counsellors Meet 2025, an insightful platform that connected leading international universities, including:

- University of Guelph (Canada)
- Leeds Arts University (UK)
- University of Birmingham (UK)
- Norwich University of the Arts (UK)

During the event, Ms. Tarveen was felicitated for her outstanding contribution to the field of career counselling, recognizing her dedication to guiding students towards informed and purposeful global education pathways.

### **4. Global Horizons: Interaction with Wilfrid Laurier University Representatives**

BCM School, Chandigarh Road, Ludhiana, hosted Mr. Nipun Grover and Mr. Ralon Nazareth, Director – International Recruitment and Partnerships, from Wilfrid Laurier University, on campus.

The engaging session provided students with a deep understanding of new-age career programs, scholarship opportunities, and futuristic global pathways for higher education. The discussion inspired students to explore diverse academic avenues beyond borders and reinforced BCM School's vision of preparing globally competent learners.

BCM School remains steadfast in its commitment to nurturing students with a global mindset through continued collaborations, international interactions, and exposure to world-class educational institutions.

These initiatives reaffirm the school's mission to empower every student to become a visionary learner and a responsible global citizen.
