BCM STUDENTS TRIUMPH AT THE REGIONAL “BML HEROES OF TOMORROW” EVENT: TEAM SELECTED FOR NATIONALS

Students set a Benchmark at the Regional Finale of “BML Heroes of Tomorrow”

Young innovators from our school showcased exceptional talent and entrepreneurial spirit at the Regional Finale of the BML Heroes of Tomorrow programme—an inspiring initiative that empowers students to design innovative solutions to real-world challenges and emerge as leaders of tomorrow.

The event, hosted at DCM Young Entrepreneur School, saw participation from nine prominent schools across the region. Representing BCM School with pride, two dynamic teams delivered impressive PowerPoint presentations featuring unique and impactful business ideas, demonstrating strong problem-solving and communication skills under the dedicated guidance of Ms. Deeksha Sehgal.

BCM School is proud to announce that Anshiv Jaggi (Class XI Commerce A) has qualified for the Grand Finale in Gurugram. His achievement is a moment of great pride for the school and highlights its commitment to fostering innovation, entrepreneurial mindset and future-ready competencies among students.

Heartiest congratulations to both participating teams, and best wishes to Anshiv for his upcoming performance at the Grand Finale!

CREATIVE LITERARY COMPETITIONS INSPIRE YOUNG MINDS IN THE PRIMARY WING

Class V Students Celebrate the Legacy of Harivansh Rai Bachchan Through Insightful Biosketches

A Biosketch Writing Competition was organized for the students of class V on the eve of the birth anniversary of Harivansh Rai Bachchan. The event aimed to introduce students to the life and literary achievements of the great Hindi poet and author. They presented well-structured biosketches highlighting his education, works, and contribution to Hindi literature. The judges appreciated the creativity and accuracy shown by the participants. The event successfully encouraged students to learn about eminent literary figures and enhance their writing skills.

Young Storytellers Spread Values Through Engaging Narratives in English and Hindi

An Inter House Story Telling Competition was organised for Classes IV & V in both English and Hindi. Young storytellers narrated engaging stories based on meaningful themes like Kindness, Honesty, Hard Work, Charity, and Friendship and other value based topics.

They were judged on theme relevance, content, expression, voice modulation, and overall presentation. Participant of Beas House showcased remarkable storytelling skills and emerged as the Overall Winner.

BOYS IN THE KITCHEN: A WHOLESOME CULINARY DAY!"

Class XI Food Production students had an engaging practical session where the all-boys group prepared delicious cheesy pops, spring rolls, and noodle samosas. They worked enthusiastically and handled the entire preparation on their own under the guidance of Ms. Priya Agrawal and Ms. Sanskriti Verma.

The students later presented their dishes to Vice Principal Ms. Manju Bhatti, who appreciated their efforts and praised their teamwork and creativity.

The session turned into a joyful learning experience, proving that something truly special happens when boys step into the kitchen.

BUILDING BETTER HABITS: CLASS IV'S JOURNEY TO SMARTER LIVING

The Vice Principal, Ms Manju Bhatti, conducted another insightful life-skills session for the Class IV students. Building on the concepts they had previously learned, she introduced simple yet powerful ideas that help children understand their emotions, behaviour, and responsibilities. Through engaging examples, interactive questions, and relatable stories, she guided the students on how small actions and positive habits can lead to success in both school and daily life. The students participated enthusiastically, shared their thoughts openly, and appreciated the practical approach that made the session both meaningful and memorable.

“ECO WARRIORS IN ACTION: LEARNING, CREATING, TRANSFORMING.”

The Eco Club of the Middle Wing conducted CBSE-based activities to spread awareness about the harmful effects of POP idols and promote eco-friendly alternatives aligned with Mission LiFE and SDGs 12, 13, and 14.

Class VI held a group discussion on banning POP idols, Class VII created posters on protecting rivers and seas, and Class VIII discussed the pros and cons of eco-friendly materials versus POP.

These activities strengthened students' understanding of environmental protection and encouraged sustainable practices.

FOUNDATIONAL STAGE CONDUCTS ‘SHAPE CONNECT ACTIVITY’

The young learners of Nursery participated in an interactive Shape Connect Activity, where they matched objects with their corresponding shapes. This simple yet engaging task enhanced their observation skills and helped them relate shapes to real-life objects in a joyful way.
