CHRISTMAS CAROLS, CREATIVITY AND CHEER FILL BCM SCHOOL

BCM School was immersed in festive warmth and creative energy as the entire school came together to celebrate Christmas with enthusiasm and joy. From the Foundational Stage to the Secondary Wing, the celebrations reflected the true spirit of the season—togetherness, creativity, and happiness.

In the Middle and Secondary Wings, students participated in an intra-class decoration competition based on the theme “Christmas Celebrations.” The activity provided a vibrant platform for students to express their artistic ideas while working collaboratively. Classrooms transformed into colourful festive spaces, echoing students’ imagination, coordination, and team spirit.

Adding to the festive fervour, an inter-house board display competition was organized, fostering healthy competition among the houses. Each house showcased innovative and visually appealing displays that beautifully captured the essence of Christmas.

The Foundational Stage celebrated Christmas with equal excitement and delight. Classrooms and learning corners were lovingly decorated by teachers, creating a joyful and welcoming environment for young learners. The celebration coincided with the Parent-Teacher Meeting, allowing parents to witness their children’s enthusiasm as they explored the festive displays.

BCM SCHOOL'S JASMINE CLINCHES ₹80,000 AT LUDHIANA TABLE TENNIS TOURNAMENT

Congratulations

The school proudly celebrates the achievement of its table tennis player, Jasmine, who won a cash prize of ₹80,000 through her performance at the Table Tennis Tournament held from 20 to 23 December at the Rakh Bagh Table Tennis Hall, Ludhiana. Her success has brought recognition to the institution.

Jasmine secured top positions across multiple categories, reflecting consistency, determination, and technical skill:

Second Position – Under 17

First Position – Under 19

Third Position – Under 19

Second Position – Women's Team Event

In addition, Jasmine has been selected to compete at the National level under the Table Tennis Federation of India, marking an important milestone in her sporting journey.

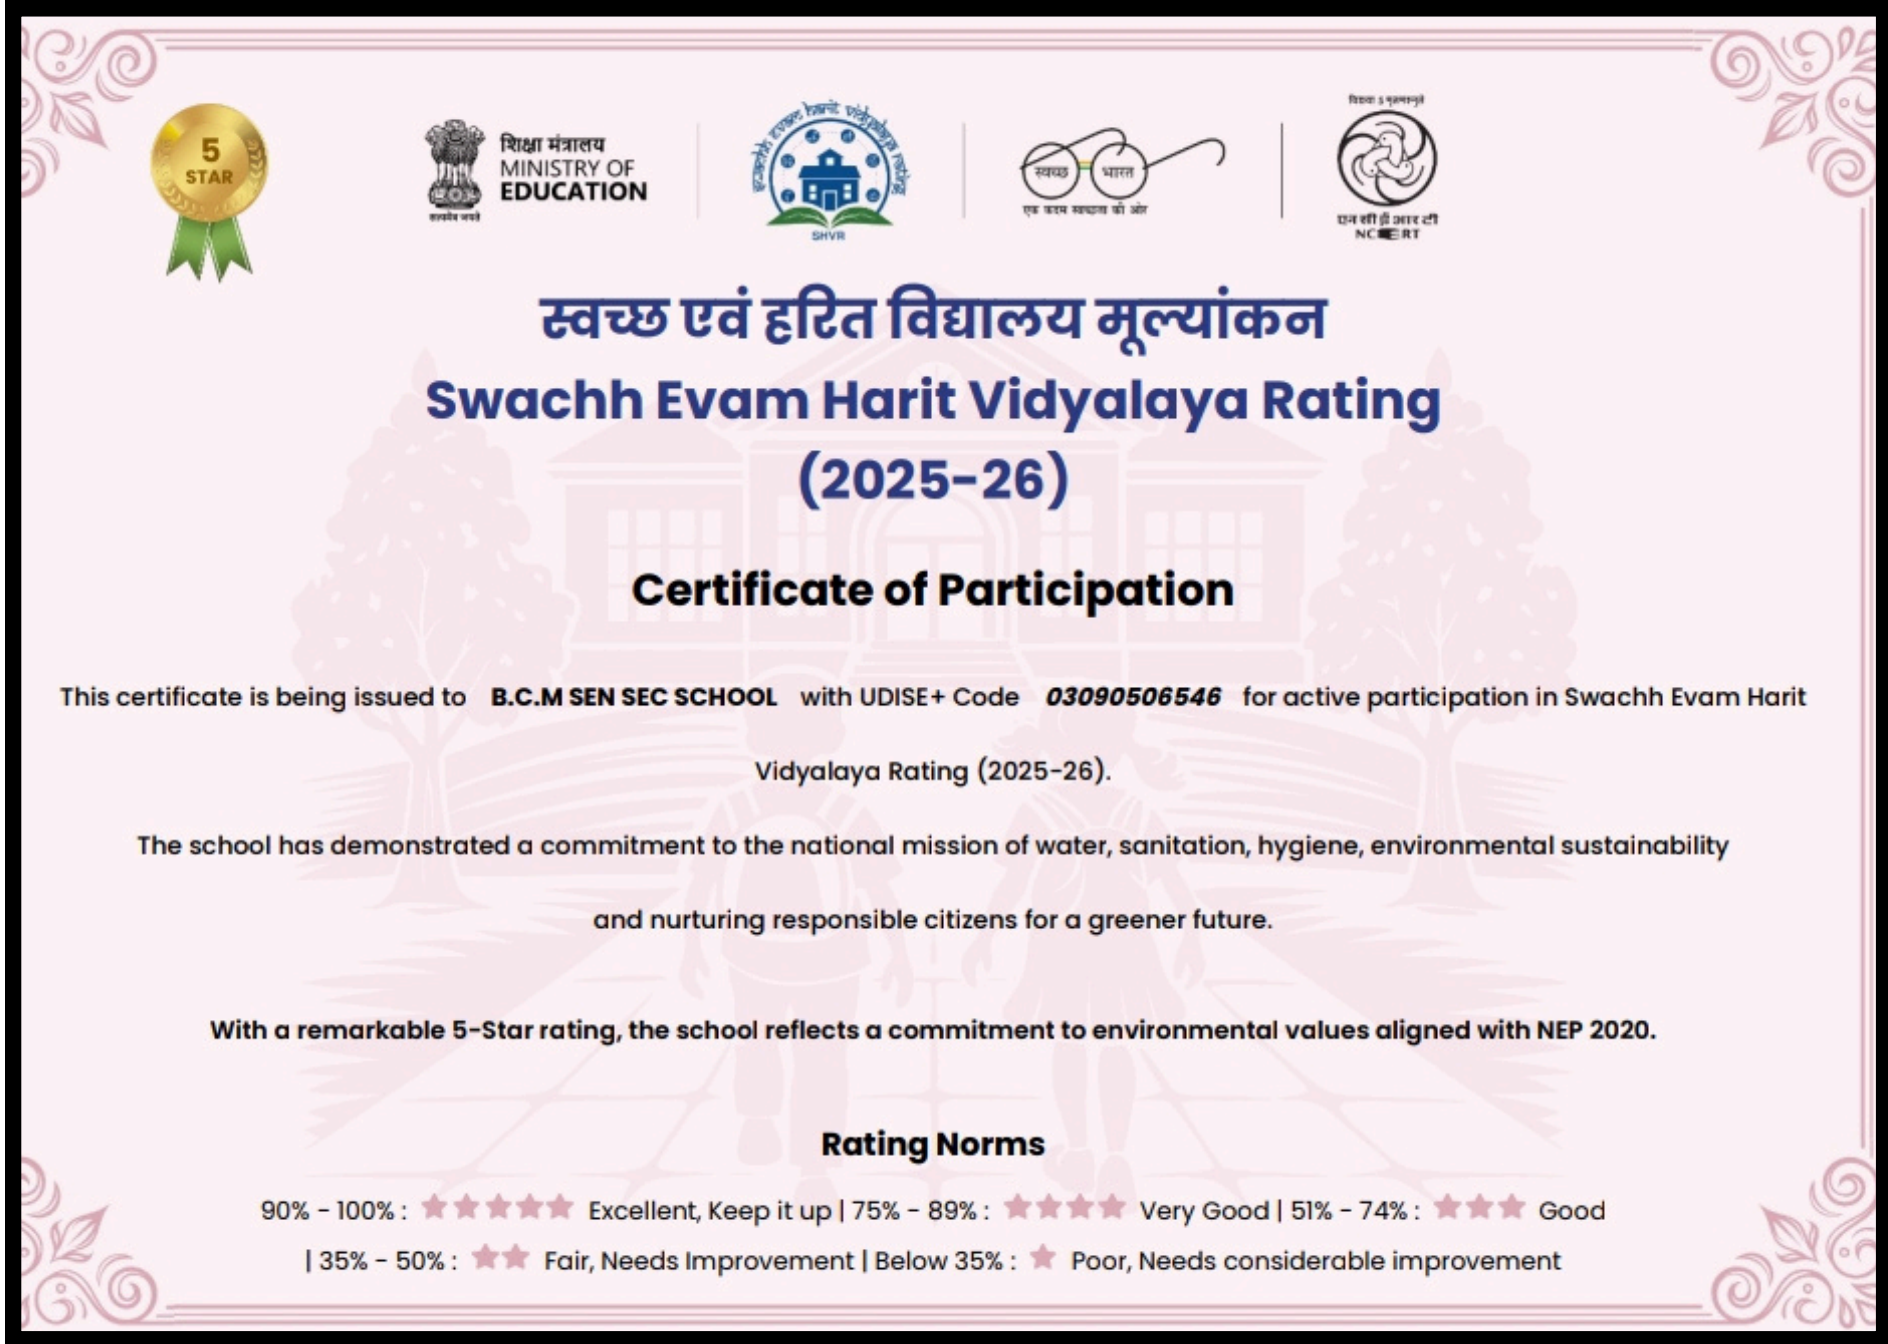

Her performance was guided and supported by her mentor, Mr Tarun, and her father, S. Manmeet Singh, whose combined efforts played a significant role in this achievement.

Principal, Mr D.P. Guleria, and the staff of BCM School, Chandigarh Road, congratulate Jasmine and her mentors and wish her continued success in future competitions.

HONOURING OUR FOOD HEROES ON NATIONAL FARMERS' DAY AT THE FOUNDATIONAL STAGE

The Foundational Stage celebrated National Farmers' Day through engaging and age-appropriate activities. Nursery students participated in a colouring activity, LKG students created model fields with handcrafted vegetables, and UKG students designed vibrant farmer posters. The celebration helped young learners understand and respect the vital role of farmers through joyful and meaningful learning.

Through these hands-on experiences, children also developed creativity, fine motor skills, and social awareness. Teachers guided discussions on where food comes from and the hard work of farmers, nurturing gratitude and values of respect from an early age. The activities made learning both enjoyable and impactful, reinforcing real-life connections in a simple and meaningful manner.
