CLASS XI STUDENTS EXPLORE JAIPUR, FATEHPUR SIKRI & AGRA ON ENRICHING EDUCATIONAL TOUR

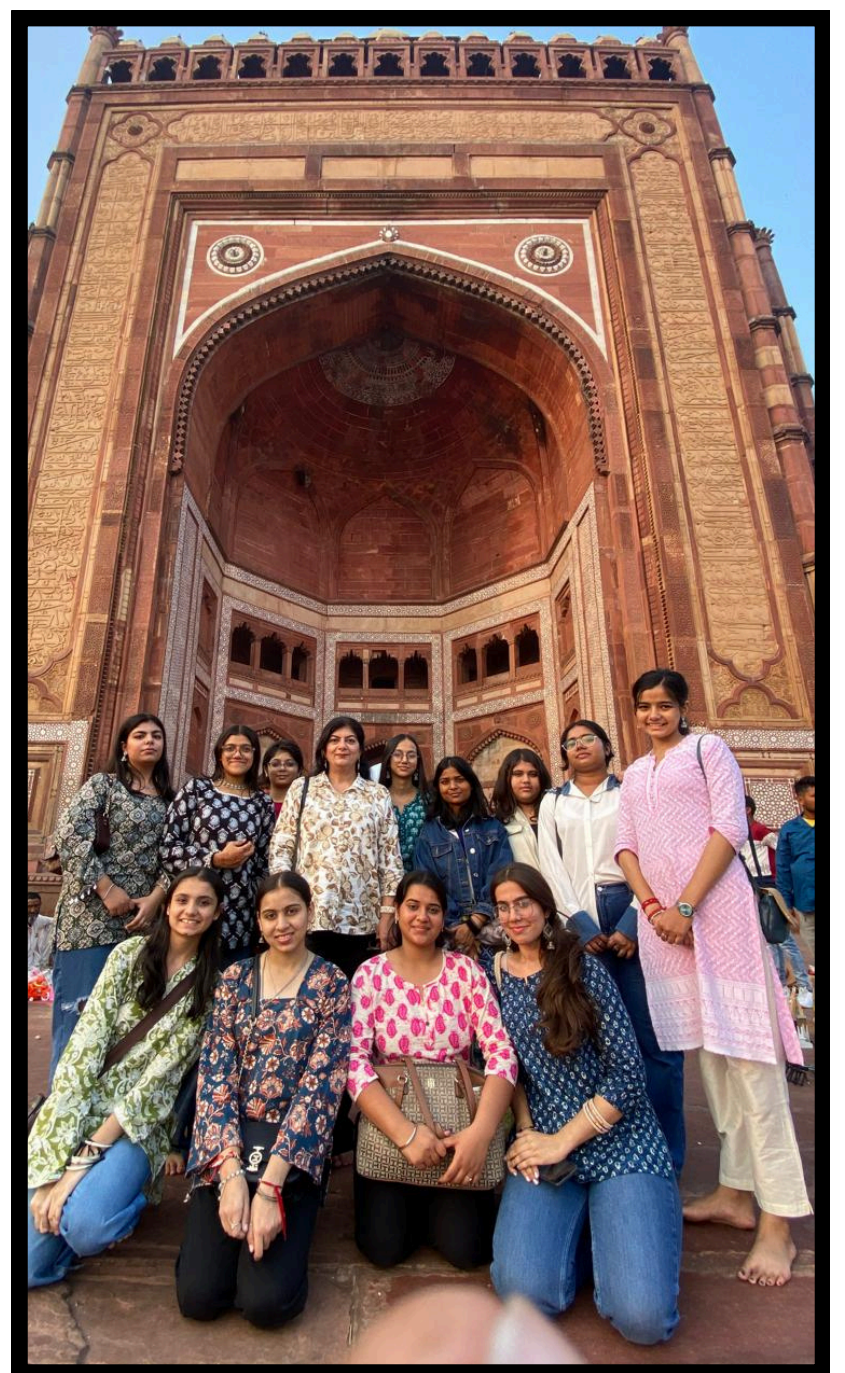

An educational tour for Class XI students was organised from the night of 25 November to the morning of 30 November, offering learners an exciting opportunity to explore the rich heritage of Jaipur, Fatehpur Sikri, and Agra. A total of 129 students, accompanied by six teachers, took part in the five-day excursion.

The trip began in Jaipur, where students visited the Amber Fort, City Palace, Jantar Mantar and Hawa Mahal. Their stay at Hotel Yash Regency ensured comfort and smooth arrangements.

The group then explored the historic city of Fatehpur Sikri, visiting the Buland Darwaza, Diwan-i-Khas and the dargah of Salim Chishti, gaining valuable insights into Mughal architecture.

In Agra, students visited the Taj Mahal and Agra Fort, concluding their journey with a pleasant stay at Hotel Pushp Villa. Two DJ nights added to the joy and bonding among students.

The tour ended on 30 November, providing students with meaningful exposure, learning, and memorable experiences beyond the classroom.

BREATHE CLEAN, LIVE GREEN- SPECIAL ASSEMBLY

Class VI E presented an inspiring class assembly on the theme “Breathe Clean Live Green.” The students performed a dance, a Nukkad Natak, a group song, and demonstrated yoga asanas, all showcasing the importance of keeping our environment clean. Their confident and disciplined presentation highlighted how pollution harms nature and the steps we can take to protect Mother Earth. The performances encouraged everyone to adopt eco-friendly habits and live in harmony with nature. The event educated and motivated the audience to contribute actively to a greener planet. Class VI E’s creative and well-coordinated presentation was a memorable reminder of our collective responsibility towards environmental conservation.

FOUNDATIONAL STAGE CELEBRATED NATIONAL POLLUTION DAY AND WORLD COMPUTER DAY

Foundational Stage celebrated National Pollution Control Day and World Computer Literacy Day on 2nd December 2025 with engaging activities for young learners. Nursery students coloured an ice-cream illustration shaped like the Earth to understand the importance of protecting the environment. LKG students coloured posters and identified air, water, soil, and noise pollution, while UKG students created posters to raise awareness about pollution control. For World Computer Literacy Day, teachers introduced Nursery and UKG students to basic computer parts, and LKG students completed puzzles related to computer components to learn their functions.
