CELEBRATING ACADEMIC EXCELLENCE IN THE PRIMARY WING

A special morning programme was organised in the Primary Wing to felicitate the academic toppers of the session 2024–25, fostering an atmosphere of pride, motivation, and achievement. The event began with a soulful prayer followed by the School Song, setting a disciplined and inspiring tone for the occasion.

Students captivated the audience with vibrant cultural performances, including an energetic aerobics presentation, a graceful Lavni dance, and a lively Giddha, adding colour and enthusiasm to the celebration.

Toppers from Classes III to V were honoured by the respected Principal Sir and Vice Principal Ma'am. The Principal commended the students for their consistent efforts and encouraged all learners to aspire for excellence and work towards earning similar recognition in the future.

Winner's Connect

Parents proudly witnessed their children's achievements and appreciated the school's dedicated efforts in nurturing academic success.

The programme concluded with the National Anthem, instilling a sense of pride and inspiration among all present.

NURSERY LEARNS THROUGH PLAY: DAY 2 OF CLASS PRESENTATION

Day two of the Nursery Class Presentation at Foundational stage showcased a vibrant programme based on the theme “Fruits and Vegetables.” The event began with a warm welcome by Ms. Ritu Syal and the chanting of the Gayatri Mantra.

The Nursery students impressed the audience with confident short speeches and lively dance performances, reflecting joyful learning and creativity. Principal Mr. D. P. Guleria appreciated the young learners’ enthusiasm and acknowledged the dedicated efforts of the teachers.

PROMOTING AWARENESS ON SANITATION, HYGIENE AND MENSTRUAL HEALTH

The Eco Club of BCM School conducted an awareness session on sanitation, hygiene and menstrual health for girl students. Resource person Ms. Priya Aggarwal highlighted the importance of personal hygiene, safe menstrual practices, proper disposal of sanitary waste, and the use of eco-friendly menstrual products. She encouraged students to lead a healthy lifestyle during menstruation and to break myths and taboos associated with it. The interactive session helped students clarify their doubts and promoted responsible sanitation practices, emphasizing that menstruation is a natural process to be accepted with dignity and confidence.
