## ODE TO NATURE – A SONG OF INDIA

O Nature! Queen of monsoon skies,  
You drum on the Earth with silver rain;  
Peacocks dance as thunder cries,  
And barren fields grow green again.

The Himalayas kiss the blue,  
With snowy crowns that proudly gleam;  
While the Ganga hums her song so true,  
A silver thread, a sacred stream.

At dawn, the saffron sun takes flight,  
Through banyan branches old and grand;  
Lotus wakes in tender light,  
Pure and calm upon the sand.

O Mother Earth! so wild, so wise,  
You tint the dusk with amber glow;  
Within your arms our spirit flies,  
From dusty paths to stars aglow
