Monthly Report

Adobe Skill Academy Partnership

BCM School, Chandigarh Road, is proud to announce its partnership with Adobe, earning the prestigious distinction of becoming an *Adobe Skill Academy*. As part of this visionary initiative, our teachers underwent hands-on training in Adobe tools to strengthen their digital teaching competencies and encourage creative approaches in the classroom. Principal Mr. D.P. Guleria emphasized the critical importance of integrating technology for future-ready learning, reaffirming our commitment to innovation and excellence.

Teacher Capacity-Building Initiatives

Communication at the Workplace

An engaging training session on *Communication at the Workplace* was conducted exclusively for our teachers. The workshop combined experiential learning with fun-filled activities, creating an energetic and enriching environment. It aimed to enhance interpersonal skills, promote active listening, and build a positive, collaborative work culture. Teachers found the session highly practical, refreshing, and informative. Their enthusiastic feedback highlighted the value of investing in such professional development initiatives.

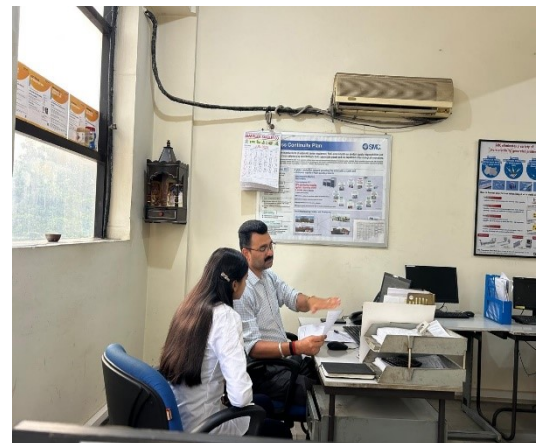

Classroom Management Through the Lens of Modern Pedagogy

Another impactful workshop focused on *Classroom Management Through the Lens of Modern Pedagogy*. Teachers explored effective communication methods and modern strategies through interactive, hands-on activities and reflective discussions. The workshop reaffirmed that classroom management is not just about discipline, but about connection, creativity, and conscious teaching.

Student Internships and Enrichment Programs

Our grade 11 students participated in a variety of internships and bootcamps all across the India. Some students explored prestigious universities such as BML Munjal University and BITS Pilani, while others gained exposure in corporate offices, law firms, and hospitals including Avon Cycles, Hero Cycles, Fortis Hospital, and Trident, Daianik Savera, Aam Admi Clinic and many more enhancing their academic and career perspectives.

Participation in the Arambh Program by MBCIE

Additionally, a group of students participated in the *Arambh Program* organized by MBCIE. Through this program, they had the opportunity to visit premier institutions like IITs and IIMs, along with several corporate offices. This experience gave them valuable insights into higher education pathways and the professional world, helping to inspire and guide their future aspirations. We are delighted to share that our student **Shabad Sabbharwal of XI Commerce** won the *Mr. Arambh* title during the program, bringing great pride to the school.
