A TEAM OF 4 STUDENTS SECURE FIRST POSITION AT HUB OF LEARNING COMPETITION

BCM School's students delivered an outstanding performance by clinching First Prize in both the Quiz Competition and the Exhibition at the Hub of Learning Competition, hosted by Darshan Academy, Ludhiana, on December 16, 2025. The winning team comprised Anshiv Jaggi (Class XI Commerce), Aryan Jain (Class IX-A), Vaibhav Handa (Class VIII-D), and Vivan Bansal (Class VII-C), who showcased remarkable knowledge, creativity, and confidence. Competing against numerous schools from across the city, the BCM students rose to the occasion with exceptional brilliance. Under the expert guidance of their mentors, Ms Geetanjali and Ms Meena Sharma, the team demonstrated sharp intellect, innovative thinking, and flawless execution, which set them apart from the competition and earned them top honours in both events.

Their commendable achievement reflects not only the students' dedication and teamwork but also the teachers' committed mentorship and the school's continuous pursuit of academic and creative excellence. The victory brought immense pride to the institution and reinforced BCM School's reputation as a centre of holistic learning and excellence.

The Hub of Learning Competition provided a valuable platform for students to exchange ideas, enhance critical thinking, and learn through collaboration with peers from other schools. BCM School's remarkable success at the event highlights its emphasis on experiential learning and its commitment to nurturing confident, future-ready leaders.

MADHAV JAGGA, A STUDENT OF CLASS IV HONOURED BY INDIAN STARS

Madhav, a Class 4 E student at BCM School, had the rare opportunity to meet Indian badminton stars HS Pronoy and Rohan Kapoor right here in Ludhiana. The two players took time out to chat with the budding athlete, encouraging him to pursue his passion for the sport. As a token of appreciation, they presented Madhav with a cash prize of ₹3,100.

The school administration praised Madhav's dedication and expressed pride in his achievement, noting that such interactions serve as a great motivation for all students. BCM School congratulates Madhav and looks forward to seeing him shine on the badminton court.

FOUNDATIONAL STAGE CONDUCTS NURSERY FINE MOTOR SKILLS ACTIVITY

Foundational Stage conducted a joyful Nursery activity focused on developing fine motor skills. The young learners enthusiastically picked and counted colourful pom-poms and placed them on the correct numbers. The hands-on activity enhanced finger strength, number recognition, and concentration while making learning fun and engaging.
