

## Achievements and Recognitions

Students of Class IX visited Punjab Agricultural University (PAU), Ludhiana, to attend the Swachh Kavach Phase-I Closing Ceremony and the launch of Phase-II at the Dr. Manmohan Singh Auditorium.

The programme began with vibrant cultural performances, followed by an insightful health-awareness session led by Dr. Bishav Mohan from DMCH Hospital. Students also learned essential life-saving skills such as CPR, Basic Life Support (BLS) and BP monitoring, equipping them with knowledge to act effectively during medical emergencies. A proud moment for the school was when Manrajpreet Kaur (Class XII Medical), mentored by Ms. Gurbinder Kaur, received an Appreciation Certificate from the Deputy Commissioner for being selected among the top 10 students of Ludhiana. Ms. Tarveen was also honoured for her excellent coordination of the Swachh Kavach project. The school received special appreciation for its active participation and contribution to this impactful health initiative.

## Counsellors' Meet at the Indian School of Hospitality (ISH)

Ms. Tarveen Kaur, Head Outreach, represented BCM School, Chandigarh Road at the prestigious Counsellors' Meet 2025 hosted by the Indian School of Hospitality (ISH). The workshop on Design Thinking for Problem Solving by Ms. Neetii Maacker offered impactful insights, redefining counselling as an empathy-driven, student-centric process that equips learners to make informed and confident decisions. Panel discussions on "Culture as Currency" and "The Future Workplace in the Age of AI" provided valuable perspectives on

evolving workplace expectations, hybrid work models, and the aspirations of Gen Z. Eminent speakers including leaders from Accor South Asia, ITC Hotels, MakeMyTrip, Nestlé, and GE Vernova contributed rich industry insights.

A special moment during the event was Ms. Tarveen's interaction with a former student currently studying at ISH, further strengthening the school's trust in ISH's innovative and industry-aligned learning ecosystem.
