## DHWANIT AGGARWAL WINS GOLD AT KARATE CHAMPIONSHIP

Dhwanit Aggarwal of Class III J, a dedicated Green Belt Karate trainee, brought pride to the school by securing the Gold Medal at the prestigious Goju-Ryu Karate Do Championship 2025, held at Dr. B.R. Ambedkar Bhawan, Phagwara, on November 16, 2025.

Displaying exceptional focus, discipline, and mastery of techniques far beyond his years, Dhwanit impressed the judges with his confidence and precision. His hard work, consistent practice, and determination were clearly reflected in his powerful performance, ultimately earning him the top position in the competition.

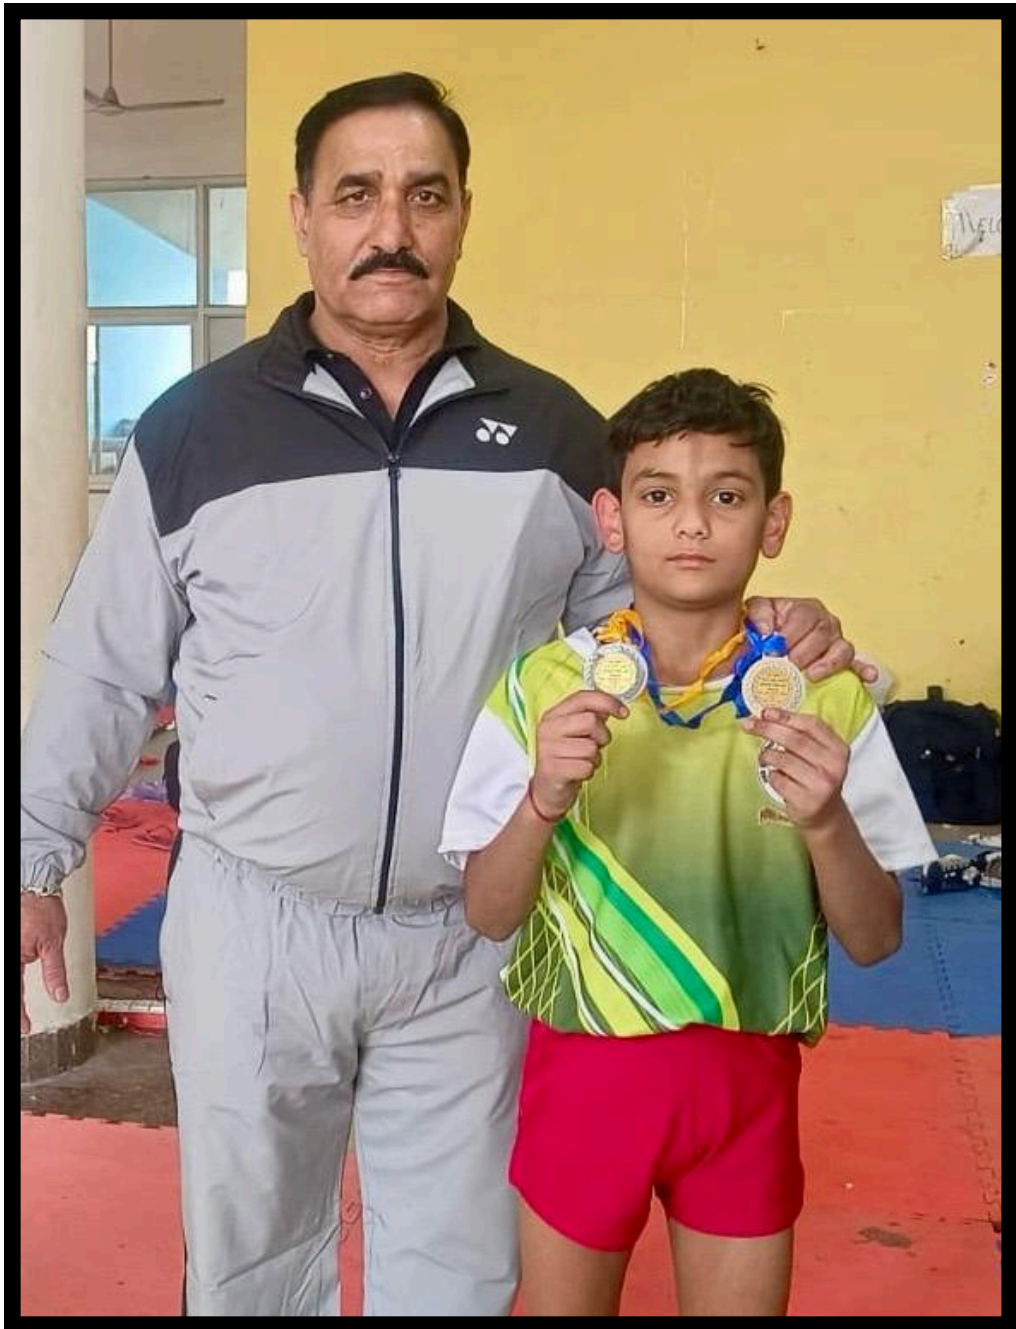

The school proudly congratulates Dhwanit on his outstanding accomplishment and wishes him continued success in his martial arts journey.

## YAKSHIT SHARMA EXCELS AT STATE LEVEL GYMNASTICS COMPETITION

Yakshit Sharma of Class IV A showcased an outstanding performance at the State Level Gymnastics Competition, securing one Silver and one Bronze Medal. The event was held at Gamada Stadium, Mohali, where young gymnasts from across the state participated.

Yakshit's dedication, skill, and consistent hard work were clearly reflected in his remarkable achievements. His disciplined training and passion for gymnastics enabled him to perform with confidence, precision, and grace, leaving a strong impression on the audience and judges alike.

The school proudly congratulates him and wishes him continued success in future competitions.

## VICE PRINCIPAL LEADS INSIGHTFUL LIFE SKILLS SESSION FOR CLASS IV

A session on Life Skills was conducted for Class IV students by the Vice Principal, Ms Manju Bhatti. She introduced the concept of life skills interactively, connecting it directly to the students' everyday challenges. She encouraged them to think about their small day-to-day problems and guided them on how they can begin solving these issues independently with simple strategies.

Using the scenario of the Annual Athletic Meet and other such events, and the common feelings related to winning and losing, she helped students reflect on their emotional health. Through meaningful examples and a warm discussion, she shared practical tips on handling disappointment and managing emotions when faced with defeat.

The students participated enthusiastically and openly shared their concerns. The Vice Principal offered creative, age-appropriate solutions and motivated them to stay emotionally strong and not allow anyone else to take control of their feelings.

## CELEBRATING DIVERSITY AND INCLUSION THROUGH A VIBRANT SCHOOL ASSEMBLY

Class IX-I presented a vibrant assembly on “Diversity and Inclusion,” promoting unity and respect for all. The programme opened with a serene bani recitation, followed by a graceful semi-classical dance and a soulful song on togetherness. A powerful role-play and an insightful speech highlighted the importance of acceptance in society. The assembly concluded with an energetic bhangra performance, celebrating India's cultural richness. The event left a strong message of embracing differences and staying united.

## A VIBRANT DISPLAY OF SKILL-BUILDING AT THE FOUNDATIONAL STAGE

*Skiping  
Numbers,  
Growing  
Minds*

The students participated in an engaging Skip Counting activity that strengthened their numeracy skills and enhanced their understanding of number patterns. With enthusiasm and accuracy, they practised counting in sequences, developing sharper logical thinking. The activity created a joyful and interactive learning environment, making mathematics both fun and meaningful for young learners.

### *‘A Tale of Generosity’ Story Dramatization*

Nursery students, under the guidance of their teachers, participated in an engaging story dramatization based on the Value of the Month—Generosity. The teachers enacted simple yet meaningful scenes that highlighted sharing, kindness, and helping others. The story dramatization, thoughtfully led by the teachers, enriched the students’ understanding of generosity.

### *Journey Through Wheels and Wings*

The Foundational Stage conducted an engaging activity on Modes of Transport, where LKG learners explored how we travel by land, air, and water. Using interactive discussions and visual aids, students identified different vehicles and shared their uses in daily life.
