

## Career Expo 2025

BCM School proudly organized **North India's Largest Career Expo**, bringing together over **50+ universities from across the globe** under one roof. The event provided students with unparalleled access to global academic opportunities, featuring **on-the-spot scholarships, profile-building sessions, and interactive career guidance**. Universities from countries like the USA, Canada, Australia, and the UK participated, offering real-time counselling and admissions support. The expo was a major step in empowering students with the tools and exposure needed for international education.

## Student Achievements

This month saw remarkable success stories among our students. **Krishna Bateja** secured **offer letters with scholarships** from leading institutions including **Western Australian University, Trent University, TSLAS, and FLAME University**, highlighting his well-rounded profile and potential.

Another proud moment came as **Anurag**, a student from the medical stream, received **admission to Reinhardt University, USA**, along with a **well-deserved scholarship**. These achievements are a testament to the school's commitment to nurturing global citizens and providing world-class career support.
