## BCM SCHOOL HOSTS LSSC LUDHIANA SAHODAYA SCHOOLS COMPLEX BASKETBALL TOURNAMENT (U-14 & U-19 GIRLS)

BCM School proudly hosted the LSSC Ludhiana Sahodaya Schools Complex Basketball Tournament for the Under-14 and Under-19 Girls categories, bringing together teams from across the city and district for a day of spirited competition and sportsmanship.

The tournament was graced by Ms. Manju Bhatti, Vice Principal of BCM School, who officially inaugurated the event. She motivated the young athletes with her encouraging words and emphasized the importance of discipline, teamwork, and perseverance in sports. Her presence added enthusiasm and positivity to the tournament's opening.

## WORLD SOIL DAY CELEBRATED WITH HANDS-ON LEARNING AND CREATIVE EXPRESSIONS

BCM School marked World Soil Day with an enriching set of activities conducted across the Foundational Stage and primary classes, aimed at fostering awareness about soil and its vital role in sustaining life.

At the Foundational Stage, students explored different types of soil through a hands-on demonstration. Teachers displayed samples of sandy, clay, loamy, silty soil, and gravel, allowing children to observe textures, compare differences, and understand their everyday uses. This interactive experience helped young learners develop curiosity and appreciation for the natural world.

The celebration continued with activities in senior primary classes. Class II students enthusiastically participated in a vibrant role-play, learning about soil conservation in a fun and expressive manner. Meanwhile, Class V students showcased their creativity and environmental awareness by designing meaningful posters on the theme “Save Soil, Save Earth.”
