☀️ **“RISING STRONG: A MORNING ASSEMBLY THAT CELEBRATED THE POWER OF PERSEVERANCE”** ☀️

The morning assembly of Class VI-G, held on 15th December 2025, was thoughtfully organised around the inspiring theme “Never Give Up – Success Begins with Perseverance.” The assembly aimed to instil confidence, resilience, and a growth-oriented mindset among students, encouraging them to face challenges with determination and optimism.

The assembly commenced with a powerful motivational thought that set a positive and reflective tone for the morning. This was followed by a heartfelt poem that beautifully highlighted the importance of persistence in overcoming obstacles. Adding energy and enthusiasm to the assembly, students presented a lively motivational song that resonated strongly with the audience and uplifted the spirit of everyone present.

A special highlight of the assembly was the parental advice by Ms. Shailja, who addressed the students with warmth and wisdom. She encouraged them to remain focused on their goals, value time as their most precious resource, and treat failures as valuable learning experiences rather than obstacles. The assembly concluded on an uplifting note, leaving students with a strong reminder that perseverance, patience, and self-belief are the true foundations of success.

## RAMANUJAN WEEK: INSPIRING YOUNG MINDS THROUGH MATHEMATICS

Ramanujan Week was celebrated for Class IX students to honour the legacy of Srinivasa Ramanujan and to promote interest in Mathematics. Students watched an inspirational video highlighting Ramanujan's life and perseverance, followed by a presentation on the History of Mathematics that showcased the subject's evolution.

An interactive quiz based on the Class IX syllabus further reinforced learning and encouraged enthusiastic participation. Students displayed strong conceptual understanding and problem-solving skills during the activity.

Overall, the celebration was engaging and enriching, fostering curiosity, confidence, and a deeper appreciation for Mathematics beyond the classroom.

## CHIRJOT KAUR WINS THIRD PRIZE IN POEM RECITATION COMPETITION AT ST. FRANCIS SCHOOL

A Poem Recitation Competition was held at St. Francis School on 15 December 2025. The event aimed to promote literary skills, confidence, and creative expression among learners.

Chirjot Kaur of Class VII-C delivered an impressive recitation and secured the Third Prize in the competition. She was honoured with a trophy and a certificate for her commendable performance. The child was prepared by Ms. Yachna and Ms. Mandeep, whose guidance and encouragement played a significant role in her achievement.
