BEYOND THE GRADES

Our students are our pride
 They are full of joy and delight
 Do not judge them by their grades
 If you do so, their beauty will fade
 They are the treasure trove of qualities
 Well known for their hidden abilities
 Do not nip these tiny buds
 Give them care and huge hugs
 Let them think, let them grow
 For they are the stars who can glow
 Give them space in your heart
 They will respect you, this is their art
 Children are the future of our nation
 Let's together make them reach their destination
