# **CULMINATION DAY OF UKG CLASS PRESENTATION CELEBRATES INDIA'S CULTURAL DIVERSITY**

The Foundational Stage marked the culmination of the three-day UKG Class Presentation with a vibrant and enriching showcase of India's cultural heritage. The day began with a warm welcome by Headmistress Ms Ritu Syal, followed by the chanting of the Gayatri Mantra, creating a serene and positive atmosphere.

Young performers took the stage with confidence as they delivered expressive and well-prepared oratory presentations on Goa, Rajasthan, and Tamil Nadu. Their clear articulation and understanding of each state's culture, attire, cuisine, and unique traditions reflected commendable preparation and enthusiasm. The energy of the event was elevated by colourful dance presentations—capturing the cheerful essence of Goa, the regal splendour of Rajasthan, and the classical elegance of Tamil Nadu. Each performance highlighted the cultural richness of the region and showcased the talent of the young learners.

Principal Mr DP Guleria applauded the students for their confident stage presence and appreciated the dedicated efforts of the teachers who guided them throughout the three-day showcase.

The programme concluded on a proud and patriotic note with the National Anthem, marking a graceful finale to an event that truly celebrated learning, culture, and collaboration.
