

## Celebrating Career Connect Month: Empowering Future-Ready Learners

**BCM School, Chandigarh Road**, proudly celebrated **Career Connect Month**, a visionary initiative designed to prepare students for the dynamic world beyond 2030. With a series of impactful sessions, university interactions, hands-on workshops, and alumni-led mentorship, the month focused on empowering students with future-ready skills, global exposure, and career clarity.

### 1. BCM Student-Alumni Synergy: Tushar Bansal Empowers Future Innovators

We take immense pride in our alumnus **Tushar Bansal**, founder of a registered startup under **MSME, NCS & AICTE**, for mentoring seven of our students through an impactful internship. Under his guidance, students explored real-world applications in:

- Digital Marketing
- Graphic Designing
- Design Thinking
- Financial Literacy

This hands-on experience helped students bridge the gap between academics and industry. All participants will be awarded certificates in recognition of their enthusiastic participation and skill development.

### 2. Global Universities Under One Roof: A Career Connect Milestone

As part of **Career Connect Month**, BCM School hosted a remarkable event bringing together global university delegates under one roof, providing students with direct exposure to international academic landscapes. The event featured representatives from:

- University of San Diego – USA

- Monash University – Australia
- University of St. Thomas – USA
- Wesleyan College – USA
- Miami University – USA

Through insightful interactions, Grade XII students explored global opportunities, admissions processes, and university life abroad—broadening their academic horizons.

### 3. Alumni Inspiration Series: Kritika Arora's Transition from BCM to BMU

In an inspiring session, alumna **Kritika Arora** walked students through her journey from BCM to **BML Munjal University (BMU)**. Her candid insights into adapting to university life, handling academic responsibilities, and making informed choices resonated with many, sparking motivation and clarity among the attendees.

#### 4. Life-Saving Learning: Educational Visit to DMC Hero Heart Institute

Students visited the **DMC Hero Heart Institute** for a specialized educational session on **Hypertension** and **Basic Life Support (BLS)**. Key highlights included:

- **BP Monitoring Training** with Dr. Shubham
- **Hands-on CPR Practice** led by Mrs. Tajinder Kaur & Mrs. Manjeet Kaur
- Thoughtful guidance by Dr. Vishav and heartfelt appreciation to Dr. Bishav Mohan for facilitating the session

The visit was both eye-opening and empowering, equipping students with life-saving knowledge and essential health awareness.

#### 5. Tech Talk: A Coding Insight with Mr. Dishant Munjal

Alumnus **Dishant Munjal**, now a Software Engineer at **Microsoft**, returned to his roots to conduct a tech-forward session on **coding and software development**. Sharing his journey from BCM to NIT Rourkela, and later to **Georgia Tech, USA**, Mr. Munjal inspired students with:

- Real-world coding applications
- Tools & languages used in the tech industry
- Insights into global work culture and future-ready programming careers

## 6. Future Leaders Program: Group Discussion for Critical Thinkers

As part of the **Future Leaders Program**, a group discussion was held to foster critical thinking, collaboration, and communication. This engaging activity provided students with a platform to voice their opinions, respect diverse perspectives, and refine their leadership skills.

## 7. Crafting Futures with FLAME University

FLAME University collaborated with BCM School for a deeply informative **career counseling session**, offering guidance on:

- Crafting compelling **Statements of Purpose (SOPs)**
- Exploring **Liberal Arts** pathways
- Building purpose-driven career plans

This initiative aimed to prepare students for meaningful academic journeys and intentional futures.

## 8. Motivational Spark: “Change the Game of Life” with Tarun Kumar Banerjee

International motivational speaker **Mr. Tarun Kumar Banerjee** energized students through his powerful session focused on:

- Inner strength over external competition
- Mind-body wellness
- Learning from everyday challenges

His dynamic delivery left a lasting impact, encouraging students to lead lives rooted in self-awareness and resilience.

## 9. Envisioning the Future of Work: Insights from Dr. Pushpa Joshi

The month culminated with an inspiring talk by **Dr. Pushpa Joshi**, Director of **GD Goenka University**, who shed light on the **future of work** and professions beyond 2030. From **AI-integrated industries** to emerging, unconventional career paths, students were urged to build **adaptability, creativity, and future-ready skills**.
